### Welcome Friends and Amigos

To a celebration of the cultural mixes in turn-of-the-century America. Our lil' cafe, just west of the Rio, is in a town of many travelers and cultures.

Our own cultural clash—so many nationalities they are impossible to name—all come together outside the doors. You will hear every language, and find shops and restaurants of every nationality, as you walk our streets. Inside, we are all friends...Todos Amigos!

So eat, drink, and rest a bit traveler. For these are the times they will one day write about, no?

Welcome to Falls Church. Just west of the Potomac at the dawn of the 21st century...

Welcome to Miguel's!
